EXPERIENCE

FRONTENED DEVELOPMENT
July 2021 - August 2022 |

- I Had An Exciting And Challenging Experience Diving Into The World Of Web Development.
- I Started Working On My First Real Project. Under The Guidance Of Senior Developers, I Was Given The Opportunity To Contribute To A Website Redesign. My Responsibilities Included Translating Design Mockups Into Actual Web Pages Using HTML And CSS, Ensuring That The Website Was Responsive And User-Friendly Across Different Devices And Screen Sizes.

UNDESIGNERS | Design Product Operation
July 2021 - August 2022 |

- Worked With Graphics Team And Understand How To Build UI/UX.
- Designed Graphics And UI Using Figma And Photoshop.
- Understanding Of Color And Typography.
- Worked With Teams Including Product Managers, Developers, And Other
- Worked With Renowned Brands Including Ficus Plus, Bforbranding, TassForEver, Shoebaazar, BeautyParloratHome, Poresbepure, And BKG.
- Poresbepure, A Skincare Brand, To Design Graphics That Showcased The Purity And Effectiveness Of Their Products.
- Created Clean And Minimalist Visuals For Poresbepure To Convey Their Commitment To Natural Ingredients And Healthy Skincare Routines.

PROJECTS

HTML CSS AND JAVASCRIPT Based Projects

1. **Interactive Image Gallery**: Built An Interactive Image Gallery That Showcases A Collection Of Photos.
